

**CAMBRIDGE MEMORIAL HOSPITAL INC  
dba TRI VALLEY HEALTH SYSTEM  
FINANCIAL ASSISTANCE POLICY SUMMARY**

It is the policy of Cambridge Memorial Hospital Inc. dba Tri Valley Health System (the "Hospital") to provide financial assistance to qualifying patients with their outstanding bills for medically necessary and emergency care provided at the Hospital. No one will be denied access to services due to an inability to pay, and a sliding fee scale is available based on family size and income if requested.

\*Indicates that this is not required for Medicare certified Rural Health Clinics

**PATIENTS THAT QUALIFY FOR FINANCIAL ASSISTANCE**

To receive financial assistance under the Financial Assistance Policy (the "Policy"), you must be financially indigent or medically indigent.

**Financially Indigent**

To be "financially indigent," you must be uninsured or underinsured and have a household income equal to or less than 200% of Federal Poverty Level ("FPL"). However, even if your household income equals or is below the required FPL, you may not qualify as "financially indigent" if your net worth exceeds 50 percent of your total medical bills from the Hospital. Net worth is determined based on your assets, including any homes, land, or property, etc. net of any liabilities other than your Hospital bills. If you qualify as "financially indigent," financial assistance will be provided based on a sliding fee scale comparing household income to a percent of FPL as set forth in the Policy. \*

**Medically Indigent**

To be "medically indigent" you must have medical bills from the Hospital that would require liquidation of assets critical to living or would cause undue financial hardship to the family support system. If you qualify as "medically indigent," you will be responsible for your Hospital bills up to this amount, and the remaining amount will be considered financial assistance.

If you are eligible for financial assistance, you will not be charged more than amounts generally billed to patients who have health insurance. You may be given more financial assistance if the discount for which you qualify does not satisfy this requirement.

The Hospital encourages patients who may qualify to apply for financial assistance. Patients can apply for financial assistance by completing and submitting a financial assistance application to Patient Accounting Department at PO Box 488, Cambridge, NE 69022.
