Orthopedic Surgeon Dr. Eric Verploeg Seeing Patients at Tri Valley Health System

(Cambridge – September 13, 2018) Eric Verploeg, MD, an orthopedic surgeon, is now seeing patients at Tri Valley Health System in Cambridge. Dr. Verploeg is a highly-skilled and experienced specialist in the practice of orthopedics and sports medicine. Dr. Verploeg and his team are committed to providing you with the highest level of care.

Dr. Verploeg holds a Doctor of Medicine degree from the University of Iowa, College of Medicine. Born in Omaha, Dr. Verploeg did his undergraduate work at Iowa State. In 1982, after obtaining his MD, he performed his residency in Orthopaedic Surgery at the University of New Mexico Hospitals in Albuquerque, New Mexico until 1987. A fellowship in Orthopaedic Traumatology then took him abroad to Switzerland and Germany.

In late 1987, he returned to the states for Sports Medicine work with Hughston Orthopedic Clinic in Columbus, Georgia and, shortly after, partnered with John R Steadman, MD of South Lake Tahoe, California, during a fellowship focusing in Knee & Sports Medicine until July 1988.

Dr. Verploeg holds membership in many professional organizations including the Colorado Orthopaedic Society since 1989 and the Denver Medical Society since 1993. He is a fellow with the American Orthopaedic Society for Sports Medicine, as well as with the American Academy of Orthopaedic Surgeons.

Dr. Verploeg specializes in all aspects of orthopedics and sports medicine including knee and hip replacements; ACL injuries; shoulder pain and problems; and hand pain and problems. Helping you find the relief that you need, Dr. Verploeg will analyze your health and lifestyle, and tailor a treatment plan that's right for you.

Dr. Verploeg will hold his orthopedics and sports medicine clinic at Tri Valley Health System once every other week beginning September 19th. Tri Valley Health System is pleased to be able to provide patients with advanced orthopedic and other specialty care close to home saving you time and travel.
