

*Tri Valley Health System
Hospital Auxiliary
Maxine Price
Memorial Scholarship*

Thank you for your inquiry regarding scholarship funds available through the Tri Valley Health System Auxiliary. The scholarship committee will accept applications only from Tri Valley Health System employees. The applicant can be either a full or part time employee who is pursuing a nursing degree. This may not be awarded each year, if not, then it will be carried over and added to the amount awarded the next year.

Requests for applications can be found on-line at our website, trivalleyhealth.com, or at the Tri Valley Medical Foundation office. Deadline for application is **April 15th**. This scholarship will be awarded in June. The application needs to be accompanied by two letters to the committee, one letter stating your goals and needs and one letter of recommendation from a Tri Valley Health System Medical Professional.

Enclosed find an application form for your use in conjunction with the Tri Valley Health System Auxiliary Scholarship fund.

Please send your application and any other required documentation to:
