

For Immediate Release

(Cambridge, NE – October 26, 2018) Tri Valley Health System was recognized at the Nebraska Hospital Association annual convention on October 24th for two Hospital Safety Awards for 2018. These awards are given to hospitals who perform at the highest levels when it comes to patient safety in their facilities.

Tri Valley Health System was one of 6 Nebraska hospitals to receive the Bronze Award for 2018 Hospital Safety. Tri Valley Health System also received the Most Improved 2018 Hospital Safety Award. The Most Improved award is given to the hospital with the most significant drop in their experience modification rate.

“This is the second consecutive year Tri Valley Health System has received the Most Improved Hospital Safety Award,” said Tammy Claussen, CHRO at Tri Valley Health System. “Safety is one of our core values and we work hard to create a culture of safety for our patients and staff at all times.”
